THE GRAND CANYON. BY RAIL.

The Grand Canyon is a triumph of nature. The railroad that serves it a triumph of man. You can experience both a sense of beauty and history as you ride the rails from Williams, Arizona to the South Rim. Strolling musicians perform the tunes of the West as the terrain changes from high desert to prairie, prairie to pine. It's a view that's ever-changing until you come across a view that changes so dramatically, it could very well change you. Welcome to the Grand Canyon.

VINTAGE IS ALWAYS IN STYLE

Grand Canyon Railway features four distinct classes of train service from which you can choose. Ride in style - from Coach Class, First Class, Observation Dome or Luxury Parlor Class.
